S. Elected by K. K. Mearns

The flowers of the above-mentioned species are
 mostly in the same stage of development.
 Note - The above-mentioned species are

Oct-11-1924

- 3578 *Sida encandata*
- 3579 *Sida minor*
- 3580 *Chenopodium paganicum*
- 3581 *Yucca angustifolia*
- 3582 *Yucca puberula*
- 3583 *Salidaga puberula*
- 3584 *Sida dumosa*
- 3585
- 3586
- 3587

The dominant color of the Plains *Sida dumosa* flowers is yellow. *Sida puberula* var. *rosea*. *Sida encandata* reddish & usually grows that color. *Sida* seem to be adaptive. The same Golden rod *Salidaga nemoralis* common in meadows near the 10 & 5 former highway. *Sida rosea*.
 Found in flower *Polygonum orientale* P. orientale
 In artificial bog near Hotel Terrace of Riverside
 Laboratory. At the same spot I found a
 year ago *Carex lasiocarpa*. Birds must be
 responsible for both.

Oct 13. 1924 *Melospiza* *Emmeltina* - 43

3588 *Aster euclidii*

West of main woods with no flowers at all. A small colony of *Aster undulatus*. *Delphinium puberulum*. *Solidago nemoralis* in field.

40 sheets, 21 of which I kept all
✓ 19 specimens part of plants to Cochran

April 28. 1925 Freeport Swampy woods 52
3656 Vaccinium. See letter from P.C.
Standley in Herbarium.

May 1. Munson.

In flower. Viola cucullata. V pallens
Urtica sessilifolia Amelanchier intermedia

May 5. Plattsdale & N.W. Hilly woods

- 3657. Viola *Emarginata*
- 3658 " *pubescens*.
- 3659 " *sororia*
- 3660 Vaccinium. See letter from P.C. Standley
- 3661 " *Complanatum*.

Noted in flower. Viola palmata. tubulosa. cucullata
papilionacea. lanceolata. pallens. incognita *var. tubulosa*
Ranunculus hispidus - abortivus.
Syringea thibetensis Anemone gangetica.
Cakile paniculata.

Post-flowering Euphorbia americana
Sanguinaria canadensis

May 9. Woods 5 of Freeport. NE E. of Freeport

- 3662 Urtica sessilifolia
- In flower. Viola cucullata. V pallens.

May 12, 1925 Rook Kankana

- 3663 *Vaccinium coccineum*
- 3664 " "
- 3665 " *abocanum*

- 3682 " "
- 3683 *Viola emarginata*
- 3684 *Kilgia virginica*
- 3685 *Loasium tataricum*

In flower *Viola pedata* & *peruviana*.

May 13. 1925 Swamp Woods Meadowbrook
3686. *Carex stricta*. S. of Farm St 54

Noted in flower. *Verba lanceolata*. *patens*.
littoralis. *Cucullata*. *puberula*.
Turdula americana *triflorum*. *canadense*

May 15. with Mr Henry Hickey

3687 *Zizia aurea*. *Waltersii*.

Noted at Roslyn station Hempstead
Road. I got here but could not find Cyperus
littoralis where Hickey found it in Swamp
Woods

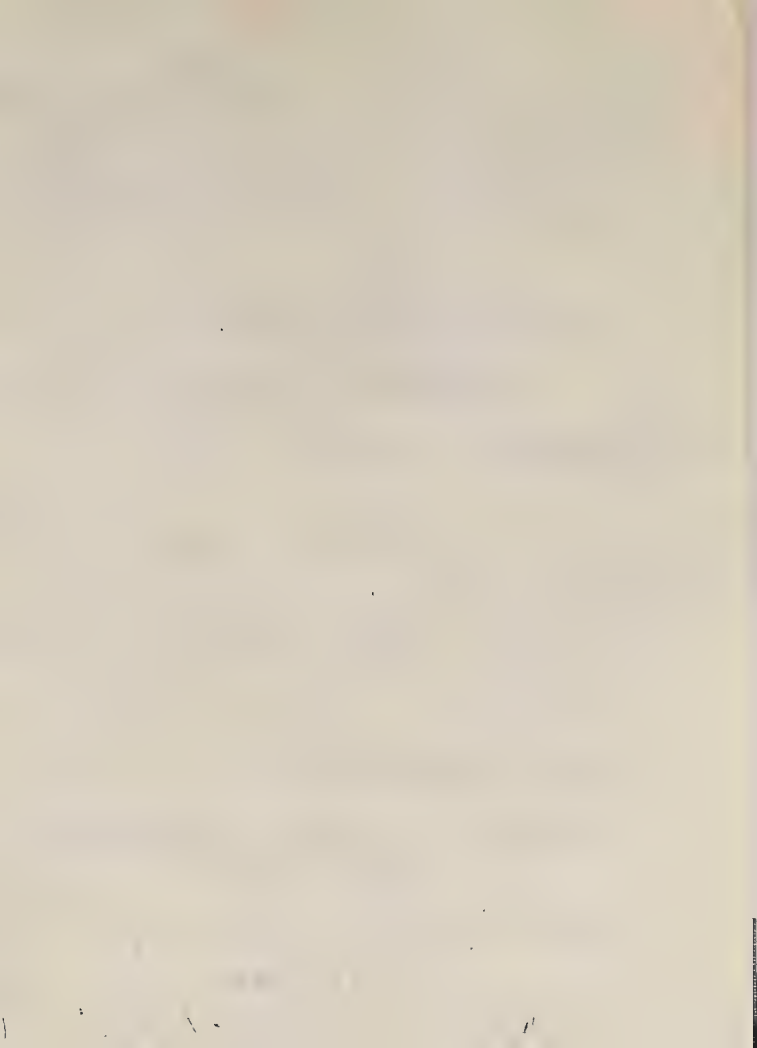

May 19 P.M. Merrill - Hempstead Plains

3688 *Sisyrinchium angustifolium*

In flower. *Verba pedata*. *v. fimbriata*

Hypoxis furcata. *Potentilla fruticosa*

Hempstead. Water lilies - damp ground
in talus. *Verba littoralis*. *v. lanceolata*.
Accumbens. *capitata*.

May 20, 1925 Hempstead to Wading River 55
 with Edith. with Donald at his farm at
 Middle Island

Middle Island
